Typical Specifications

Model: ACE-D

Description: Fan shall be a spun aluminum, roof mounted, direct driven, downblast

centrifugal exhaust ventilator.

Certifications: Fan shall be manufactured at an ISO 9001 certified facility. Fan shall be

listed by Underwriters Laboratories (UL 705) and UL listed for Canada (cUL 705). Fan shall bear the AMCA certified ratings seal for sound and

air performance.

Construction: The fan shall be of bolted and welded construction utilizing corrosion

resistant fasteners. The spun aluminum structural components shall be constructed of minimum 16 gauge marine alloy aluminum, bolted to a rigid aluminum support structure. The aluminum base shall have continuously welded curb cap corners for maximum leak protection. The discharge baffle shall have a rolled bead for added strength. An integral conduit chase shall be provided through the curb cap and into the motor

compartment to facilitate wiring connections. The motor shall be enclosed in a weather-tight compartment, separated from the exhaust

airstream. Unit shall bear an engraved aluminum nameplate.

Nameplate shall indicate design CFM and static pressure. Unit shall be

shipped in ISTA certified transit tested packaging.

Wheel: Wheel shall be centrifugal backward inclined, constructed of 100%

aluminum, including a precision machined cast aluminum hub. An aerodynamic aluminum inlet cone shall be provided for maximum

performance and efficiency. Wheel shall be balanced in accordance with AMCA Standard 204-05, *Balance Quality and Vibration Levels for Fans.*

Motor (ACED): Motor shall be NEMA design B with a minimum of class B insulation rated

for continuous duty and furnished at the specified voltage, phase and

enclosure.

Motor (ACED-EC): Motor shall be an electronically commutated motor rated for continuous

duty and furnished either with internally mounted potentiometer speed controller or with leads for connection to 0-10 VDC external controller.

Product: Fan shall be model ACE-D as manufactured by

Loren Cook Company of Springfield, Missouri.
