

Typical Specifications

Model: RCG

Description: Curb shall be a galvanized steel non-canted roof curb.

Certifications: Fan shall be manufactured at an ISO 9001 certified facility.

Construction: The curb housing shall be constructed with formed or continuously welded corners and shall be minimum 18 gauge galvanized steel. Interior curb thermal and acoustical insulation shall be 1 - ½" thick, 3 lbs. density. Roof curb shall have a wooden nailer with a height of 1 - ½" tall. Overall curb height shall be a minimum of 9 - ½" tall.

Product: Roof curb shall be model RCG as manufactured by Loren Cook Company of Springfield, Missouri.

Model: RCG-AT

Description: Curb shall be a galvanized steel non-canted roof curb with sound attenuation baffles.

Certifications: Fan shall be manufactured at an ISO 9001 certified facility.

Construction: The curb housing shall be constructed with formed or continuously welded corners and shall be minimum 18 gauge galvanized steel. Interior curb thermal and acoustical insulation shall be 1 - ½" thick, 3 lbs. density. Sound attenuation baffle frames shall be constructed of 20 gauge galvanized steel and shall contain 1" thick, 3 lbs. density, acoustical insulation. Roof curb shall have a wooden nailer with a height of 1 - ½" tall. Overall curb height shall be a minimum of 16" tall.

Product: Roof curb shall be model RCG-AT as manufactured by Loren Cook Company of Springfield, Missouri.

Model: RCGH

Description: Curb shall be a heavy duty galvanized steel non-canted roof curb.

Certifications: Fan shall be manufactured at an ISO 9001 certified facility.

Construction: The curb housing shall be constructed with continuously welded corners and shall be minimum 16 gauge galvanized steel. Interior curb thermal and acoustical insulation shall be 1 - ½" thick, 3 lbs. density. Roof curb shall have a wooden nailer with a height of 1 - ½" tall. Overall curb height shall be a minimum of 9 - ½" tall.

Product: Roof curb shall be model RCGH as manufactured by Loren Cook Company of Springfield, Missouri.
